Case Study Competition on

Integration and Delivery of Vocational Education in Schools in India

Confederation of Indian Industry (CII), is organising a Case Study Competition on “Integration and Delivery of Vocational Education in Schools in India.”

The competition aims to highlight innovative models through which schools are integrating vocational education into their curriculum in alignment with the National Education Policy (NEP) 2020.

The competition forms part of the 10th CII Global School Education Summit 2026, scheduled to be held in New Delhi, (Date to be announced)

Objective

- To understand and highlight how schools are integrating vocational education into their academic framework.
- To assess the broader impact of vocational integration on enhancing students’ life skills, employability skills, and industry readiness.

Why Participate?

- Opportunity to get recognised at national level from CII – one of India’s leading industry body
- Opportunity to showcase your school’s innovative vocational education practices on a national platform
- Opportunity to interact with eminent Jury Members from education and industry
- Opportunity to participate in the 10th CII Global School Education Summit.
- Top 5 schools will be invited to present their case studies at the 10th CII Global School Education Summit 2026 in New Delhi.
- Top 3 winners will be felicitated during the Summit.
- Selected case studies will be published in a CII Compendium on vocational education integration.

Competition Structure

The competition will be conducted in two stages:

1. **Stage 1: Submission of Case Study:** Schools are invited to submit a case study describing how vocational education has been integrated into their school’s academic and learning framework.
2. **Stage 2: Presentation at the Summit:** The **Top 5 entries** shortlisted by the jury will be invited to present their case studies at the **10th CII Global School Education Summit 2026 in New Delhi**.

Based on the presentations, the **Top 3 schools** will be selected by the jury and recognised as winners.

Suggested Structure for the Case Study

Schools may structure their case study using the following format:

- Introduction and Objectives
- Key Actions, Initiatives and Implementation Strategy
- Outcomes, Impact and Insights
- Conclusion

Key Areas to be Covered

Schools are encouraged to address the following themes:

- **Vocational Integration:** Alignment of vocational courses with the academic curriculum.
- **Student-Centred Learning:** Competency-based learning and practical assessments.
- **Curriculum Innovation:** Interdisciplinary and experiential skill-based learning models.

Confederation of Indian Industry

- **Teacher Capacity Building:** Training, upskilling, and academic or industry collaborations.
- **Industry & Community Linkages:** Engagement with parents, local industry, and community stakeholders.
- **Student Engagement:** Involvement in national or international skill-based initiatives and competitions.

Eligibility Criteria

- Open to all Public and Private Schools in India.
- Schools affiliated with any recognised board are eligible.
- Foreign branches of Indian schools are not eligible.
- Indian branches of foreign schools are not eligible.
